Birthday & Anniversary celebration

Celebrate your loved ones birthday or your wedding anniversary in Nepal. Adventure Ascent has arranged several birthday trips that stretches from a few days to weeks depending on how much time you have. We can arrange a special trip for you and your friends and family. Stay for example in an award winning hotel in Kathmandu surrounded by cultural heritage, visit several of our world heritage attractions such as Boudhanath the world largest stupa, lunch in the beautiful Garden of Dreams and take a relaxing swim in the hotel pool in the afternoon. You can combine this with one or a few days trekking close to the Kathmandu valley offering wonderful views over the Himalayas on easy trekking routes. Nepal has many beautiful hotels with spectacular views perfect for celebrating a special day. Dhulikel Resort is one of the most luxurious and peaceful resorts in Nepal, an hour from Kathmandu, with private bungalows, amazing restaurants, pools, spa, yoga, meditation areas and much more. Everest View Hotel in the Everest region offers a 5-star quality hotel with the world's best view over Mt Everest. Depending on your demands and wishes we can put together a package especially for you.
